

House Resolution No. 4039

Whereas, the members of the Missouri House of Representatives feel it is altogether fitting and proper to pause from time to time to recognize individuals and organizations that have contributed to the welfare of this great state and its citizens, particularly its educators; and

Whereas, the members now pause to recognize Tim Nelson, who is retiring from Liberty Public Schools after thirty years in the education profession and after ten years as the principal of Ridgeview Elementary School; and

Whereas, Tim Nelson spent twenty years in the North Kansas City School District, serving as an elementary and middle school teacher, counselor, and administrator, before moving to Liberty as principal of Ridgeview; and

Whereas, born in St. Louis, Tim Nelson earned his bachelor of science in elementary education from the University of Missouri-Columbia, his master of arts in counseling psychology, his specialist in counseling psychology, and his specialist in administration from the University of Missouri-Kansas City; and

Whereas, Tim Nelson's special interests include golf, fishing, hunting, reading and gardening, and he plans to spend his richly deserved time working part-time for the Liberty Public Schools and doing those things he most enjoys; and

Whereas, Tim Nelson will be given a special reception in honor of his retirement which will be attended by his wife, Ellen, and his friend John Cook, the principal of the first school Tim Nelson taught in North Kansas City some thirty years ago:

Now, therefore, be it resolved that we, the members of the Missouri House of Representatives, Ninety-fourth General Assembly, join to extend our best regards and good wishes to Tim Nelson on the auspicious occasion of his retirement from the teaching profession, with all our gratitude for the years of service so generously given; and

Be it further resolved that the Chief Clerk of the Missouri House of Representatives be instructed to prepare a properly inscribed copy of this resolution for Tim Nelson.
